VEENAM VAMSI PRAVALLIKA

Computer Science Engineering Student

Phone: +91 7337503171 | Email: vamsipravallikaaveenam@gmail.com | Vijayawada, Andhra Pradesh
LinkedIn: linkedin.com/in/vamsipravallika-veenam

PROFESSIONAL SUMMARY

Computer Science Engineering student with knowledge of Java, C, SQL, MySQL, Data Structures, and DBMS. Interested in software development, data analytics, and applying technical knowledge to develop practical software solutions.

EDUCATION

Dhanekula Institute of Engineering and Technology | 2024–2028
Bachelor of Technology in Computer Science and Engineering | CGPA: 8.35/10

RK Junior College | 2022–2024
Intermediate Education | Percentage: 89.6%

St. Vincent Pallotti School | 2022
Secondary School Certificate | Percentage: 86.5%

TECHNICAL SKILLS

Programming Languages: Java, C

Database: SQL, MySQL

Core Concepts: Data Structures, DBMS

INTERNSHIP

Data Analytics Internship | May 2026

PROJECTS

Voice Translator using MERN Stack
Developed a web-based voice translation application using the MERN stack. Integrated voice-based input and translation functionality to convert spoken language into translated output, with an interactive and user-friendly interface.

Data Analytics Project
Analyzed datasets to identify patterns, trends, and meaningful insights. Performed data cleaning, processing, and analysis to support data-driven decision making, and presented findings clearly.

CERTIFICATIONS

Introduction to Generative AI – Google

Introduction to Large Language Models – Google

Introduction to Responsible AI – Google

AI: First Software Engineering – Infosys Springboard

Applied Generative AI – Infosys Springboard

AI – Oracle

Data Structures & Algorithm – Codegnan
